Supporting Employment and Economic Development Winnipeg Inc. (SEED) is a community economic development organization. We operate programs to support individuals living on low incomes to access government benefits, save for the future and build their assets. SEED also works to address poverty through systems and policy change.

Junior Facilitator, Money Stories Program

6 Summer Term Position(s)

SEED is looking for ***6* enthusiastic youth (ages 16 – 25)** for **Junior Facilitator (JF) training positions** in the Money Stories Program. The JF works in collaboration with other Junior Facilitators and Money Stories staff to facilitate money management training from a cultural perspective, under the guidance of Elders, seniors and community storytellers. JFs will participate in leadership and facilitator training activities, deliver training sessions to other community youth, revise and develop learning activities as needed and support the Money Stories Project Facilitators.

Key qualifications SEED is looking for include:

- Graduated from SEED's Saving Circle program or the Money Stories program
- Highly motivated to work with other youth
- Adaptable to work in a fast paced environment
- Strong communication skills
- Reliable and punctual
- Shows initiative and well organized
- Works well independently or as a team player

A child abuse registry check is a condition of employment for those over the age of 18. SEED Winnipeg is an equal opportunity employer. Candidates are encouraged to self-identify in their resumes.

The deadline for applications for Junior Facilitator positions is Wednesday June 14, 2017 at 4:30 P.M. Submit resume or application to:
