

Do you have an RESP for your child?

We want to hear from you!

We are interviewing people who use Registered Education Savings Plans (RESPs) to save for their children's education. We want to hear from you if you **have opened a group RESP through a private company, but not through a bank or credit union.**

Telling us what it was like to open and have a group RESP will help us support other parents to make smart decisions about saving for their children's education.

If you have a group RESP or are not sure if you have one, and would like to be part of our research project, please contact us at:

204-927-9939
resp@seedwinnipeg.ca

\$50 will be given to people who qualify for and complete a 60 minute in-person interview before July 31, 2017.

More information is available at
seedwinnipeg.ca/resources/group-resp-research

This study is being conducted by Dr. Jerry Buckland (Menno Simons College, Canadian Mennonite University) in partnership with Momentum and SEED Winnipeg.

This project is funded by the Law Foundation of Ontario, Access to Justice Fund and has received ethics approval from the Canadian Mennonite University Ethics Review Committee.
