## Logging-In

**NOTE:** Make sure the green box appears after registering

Login entering the username and password that you created in the previous step.

**IMPORTANT:** by checking the first option, "I'm using a public computer", you will **be automatically logged out after 30 minutes of inactivity.**

Selecting this option prevents other users from accessing your personal information if you forget to log out of a public computer.

Click on the second option "**Remember me next time**" to stay logged in when there is no activity.
